

Modena Screen Kit General Assembly Instructions

Contents of fitting kit

3) Assemble the mounting arms as shown.

1) Push the 4 rubber grommets into the screen.
Note the recess should go on the drivers's side.

2) Assemble the aluminium mounts as shown.

4) Mount the screen as shown loosely onto the mirror posts.
Tweak the mounting brackets if necessary.
Tighten all screws and nuts.
Ensure the screen is not rubbing on the headlight surround.

5) The screen fitted.
